QR Code Link to This Post Selling a very nice Honda foreman 500. Very low miles 1251 miles. Have over 9000\$ wrapped up in it. Only asking 6399\$. The tires and wheels that are on it will be going on the other quad. Those tires off the other quad will be going on this quad. Those tires only have 426 miles on them so barely broke in. It comes with a lift kit warn winch 32" light bar mirrors turn signals horn gun rack. Been in the garage it's entire life washed regularly and multiple oil changes. New spark plug. Very well kept. I will only have it available till the 15th of December because if it's not sold by then it will be going to a ranch in.
