We specialize in mortgages to individuals who don't want to go to a bank, or might not qualify at a bank. We do mortgages for all types of real estate (residential, commercial, investment, flips, rehabs), all types of credit, and all types of borrowers.

We are a Direct CT Lender "Since 1987" and are located right here in CT.

Borrowers often come to us because:

- No income verification
- Flexible payment options
