QR Code Link to This Post Hey there,

We're an indie rock band based in Brooklyn. We're looking for a sax player or any other interesting instrument who's also down to sing back-up harmonies. Our style's been compared to Bon Iver, Beatles, Tallest Man on Earth, Animal Collective, Neutral Milk Hotel, Bruce Springsteen, and Blonde Redhead. We're a chill group that loves to drink beer but also take this project very seriously. Looking forward to hearing from you!

This is our currently-unreleased EP:

Our first EP is on Spotify if you search "American Fever the Driggs."
