The investigation is coming full circle now to haunt their dreams. *<http://mobile.wnd.com/2017/01/what-me-scandals/> "Oh" the Russian connection, what a joke! Anyone with 2 braincells of common sense knows this accusation was concocted by Obama, Hillary and others in the D.N.C "them"! Its nothing but smoke and mirrors created by the last administration and today's entrenched career left-wing politicians to take the focus off their crimes while in office, their misleading everyone with the help of the left-wing Fake News, more then likely Democrats are trying to hide the truth and escape justice from their criminal actions while Obama was in office! (WE will see*)! After this investigation concludes -(that was already ongoing before Obama left office!)-, and let a planned conspiracy in place to undermine, resist and claim Trump is not the legitimate PRESIDENT-! A lot of the prior administration members just might be packing their suitcases and running for the border? Most of them are habitual liar's and deceivers with no credibility! (spying on political opponents) 'yes' Any evidence against Trump would have leaked out by now ? â†Now- who sends jet airliners full of cash to one of the top countries of terrorism, "IRAN"â† we Americans don't aid and please nor do we negotiate with terrorist---Obama did though and he keeps close associations with many radical anti-American groups and individuals (WHY-?) ---now this is insanity and worthy of investigation and prosecution to the fullest extent of the law and this is just one point, there's many, many more crimes!â†(very true!) <http://mobile.wnd.com/2017/01/what-me-scandals/>

It is- So so SO-SAD that America's kids ,children and young teenagers are being forced to watch all these anti Trump haters blow their deplorable rhetoric across America, the left so called news media, the wanna-be comedians late night, the so called Hollywood elite, the organized Obama , Hillary and George Soros protesters plus others--(the guys dressed in black concealing their identity's are paid thugs, criminals)-- bet on that! *This is the truly sad state of affairs in America today that we face as a nation,! Every time i see these bizarre low life grown adults show their real immoral side of their intelligence, all i can do is laugh hysterically at them (L.O.L) but the real truths of the matter is that all these organized anti Trump haters we see day in and day out, are teaching are children, Americas kids and young teens how to be *Bullies*(-sad-) if you don't like some one or even hate them, its 'ok' to lie, deceive, mislead, slander, show hate,insult-others, tell half truths and act like like you don't know any better,-(just make it up as yah go along)--[The propaganda war machine on Trump and the American citizens.]--anyone with two brain cells of common sense

can see its all about pushing and pulling the American people away from Trump! what a laughable bunch of joke's they are, these left wing Trump haters! (hate all you want all day long right!) the fact that they are doing this with all their negative behaviors and a lot of defamations that Trump and his policies, are really doing is getting

Just pushing more and more Americans to vote for him in 2020. I want to keep on helping truckers, I want to enjoy being your emotionally disturbed pal. I'm honestly not sure how to be more than I assumed myself because they show the world how silly and ignorant they truly are. I'm dividing the country and pushing a hate message. Now this is a real life example of how it's done to make a point and a little bit.... THE TRUTH IS THE TRUTH. THE UNABLES don't care.....
