QR Code Link to This Post Hi There!

We would like to re-create the picture attached for our Christmas card. I will be Tupac, our dog will be Snoop Dogg (of course), my wife will be Dr. Dre, and our baby will be Suge Knight.

I have all of the costume jewelry, but I would like somebody to do the photoshoot and edit to make it look like the picture. We're going to have to shoot everybody separately, because we'll never get the baby and the dog to hold still.

I would like somebody with photography skills, but more importantly great photoshop skills. If I do it it's going to look like crap, so I would like somebody who could do it professionally. If this is you, please let me know what you would charge! Keep in mind that I might be a little bit picky and ask you to re-touch it a couple of times until it looks perfect.

Thank!
