I am an Independent Film Producer based out of Las Vegas. I am producing a short Documentary about FANDOMS. The documentary will go into the world of fandoms, and the people who follow them. We will also be touching on how fandoms may help or hinder someone dealing with anxiety or any depression. We would like to get a few people who are completely obsessed with FANDOMS. If you interested in being a part of this project, please send over your information. We have a few more film dates between now and early January. I look forward to hearing from you. =)
