QR Code Link to This Post Hello everyone I have a connection with a guy that works for a credit card company. Can get a 5k card and a 10k card. Costs \$125 for the 5k and \$250 upfront for the \$10k card. It's all legit and in 7-10 days you would receive your card. You will have to make monthly payments to pay the money back. Your credit score doesn't matter either he will handle that. You can also take out cash from the credit card. Let me know if your interested in either or.

If you can't or won't pay the upfront fee please don't respond. Worse case scenario I'll get you a refund. Please no games or 100 questions I'll know if your serious or not email me or text 559 374 445two. Thank!
