Children of Hope #2 has infants to 3 years old openings. This 4600 square foot facility offers many services. There is a dance studio included and all rooms have a theme.

Children Of Hope Childcare main focus is to enhance children ages 0-3 academically, socially, emotionally, and physically. When the child turns 3 they automatically transfer to our full day Preschool program at another big facility. Our goal is to prepare each student for entering Kindergarten as well as teaching them basic skills. Reading, writing, arts, dance and lots of social interaction that will insure your child has a wonderful time while learning.

All our teachers have years of child care experience, CPR/First aid certified and love working with children, we also have a Registered Nurse on staff and a chef that cooks and makes healthy meals tasty! Please come and tour the facility. Spots are going fast only 2 spots are left.

We do have a flat- rate for all children! And gladly accept ND & MN childcare assistance!
 Hope to see ya soon!
