QR Code Link to This Post I am looking for someone that has the time, accommodations and desire to make some occasional 'side'money taking care of my dog. I have different needs at different times, mostly I need a sitter for 3-4 hours for regular twice weekly doctor appointments, but I also need occasional all day and sometimes over-night care on Friday and/or Saturday nights, including the following day. My dog is smallish, approx. 35 pounds, a mix of sweetness and love, absolutely loves all people, children, and other dogs, (I am not sure how she would behave with cats) She is 100% potty trained, is spayed, is high energy and would need the opportunity to run freely several times a day (hence fenced in yard). That said, my hopes in finding someone for her would be someone with a SAFE fenced-in yard that also has their own friendly and playful pet(s) on premises, someone that is somewhat 'flexible' with hours, able to take her over-night approximately one Friday or Saturday per month. Please let me know if this interests you and give me an idea of what your 'rates would be. Would love to find someone right away, do have a pending trip coming up this week-end (December (9th). You can call or text me at 216 two zero three 9133, but the best way to reach me is by email, traci nine zero three at hotmail Thank you,
