QR Code Link to This Post Short term or long term lease apartment.

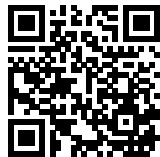

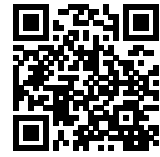

I lived in my apartment for 2 years, now ready to move out end of jan 2018, so it is available for short term and long term lease. I am in lease contract till end of June 2018 but you can extend it as much as you want.

Rent price is for 2 years ago so is at least 200\$ less than new contract in same home

It is really a nice community with good gym, pool and spa.

5min walking to cinetopia, big al's, new season and nice trails.
