QR Code Link to This Post I'm selling my 1984 Pontiac Firebird. It has a custom purple paint job, custom interior. The car has a Chevy 454 four bolt main roller motor, aluminum intake with 1050 dominator carburetor. TH400 transmission with a 3,200 stall speed converter. Rear is a custom 10 bolt with 456 gears. Steel braided fuel and transmission lines. There is a custom 6 inch fiberglass hood. The car was put together and has been sitting in my garage for a while. I have too many projects going on so I'm looking to make space. Will sell car as a roller or with the motor. I'm not desperate for cash so please don't send me a low-ball.
