I have a new web/app, that I would love to have built. It is a new, innovative, exciting idea that I need professional help with. The person i'm looking to hire is versed in programming as well. Must live in Portland, as I look to work closely with you, as this is a revolutionary idea. I am looking build a social media website, similar to Facebook, YouTube, etc. You should have knowledge of these platforms. Also, looking for lasting business relationship, as this has the potential to be big. Any professional input is always welcomed, as I am looking to build a brand. If you have the skill set and knowledge please contact me. Let's build it, and they will come!!!

Thank
