QR Code Link to This Post I have 6 AKC blue Boston terriers that were born on thanksgiving day 5 boys and 1 little girl. All healthy mom is a blue and white dad is champagne and white they both weigh around 20lbs. The babies will be ready on 01/18/18 they will be utd on shots, worming, vet checked, micro chip (optional) and a 1 year health guarantee. Will be socialized with kids and other animals. Right now I am taking deposits of 300.00. Price is appropriate for color and breed. The first 3 pics are of the whole litter then one pic of each pup the little girl is the first pic after the litter pics. If interested please call or text thank you
