I have 15+ years of experience. I am looking to start helping a few dogs/cats before/after work. I will come to your house for almost anything you need for your pets rather than the inconvenient vet appointments for simple things. I am very friendly and need to bond with your furry friend before I do anything. I offer the following services:

- Nail Trims (\$15)
 - Expressing Anals (\$10)
 - Cleaning Ears (\$10)
- (\$30 for Nails/Ears/Anals)
- All stuff is supplied by me (If you want me to use your stuff thats fine also)
-
- Oral medications
 - SQ injections
 - SQ Fluids
 - Eye Medications
 - Ear Medications
- (\$5 for one time, \$10 for two times, \$25 for a whole week, \$50 twice daily for a week)
- You supply the Meds, etc (Although i might be able to get your meds cheaper for you in the future)
-
- Walks (\$10 for ten minute walk) Then \$1 per minute after that (Example if you want a 15 Min walk)

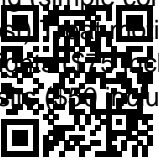

- Training (simple commands) Sit, Stay, Lay, Paw, Walk on leash etc. (\$25-\$40 per command depending on which one(s) 1st meet/plain design will be free. Just the travel cost. I will motivate through the his/hum and prime treats)

- Overnight stays includes 2 meals and dinner and breakfast (some extra you) Must have discount 100 from stay over. 11pm-8pm-6am

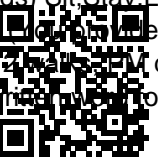

- Vet Visits \$25 includes visit and minor work on anything that is required. Must arrive on time and in good location. I will supply a list of my clients / concerns
