QR Code Link to This Post We have a mother (Dream- born 06/05/17) and daughter (no name-born 09/30/17). I am a truck driver and do not have time for them. My son is the caregiver to the father and brother. They run constantly. They are very vocal when the fridge opens, as they know that is where the veggies and fruit is. The mother and child have been board together and I need for them to stay together. The rehoming fee is \$30. The cage can be included with lid, house and water bottle, if you want all of that it is \$60. If you would like just the pigs or all-please specify in your text. Please text me at my number as I do not answer calls with strange numbers, but a text I will glance at. When/If they are sold, I will delete post. Thank you and have a blessed day. If we have to meet you with the stuff it will be \$70 for short haul and \$80 if more than 10 miles. DO NOT CONTACT IF YOU ARE NOT...
