QR Code Link to This Post Hi I am a certified licensed nurses assistant of ten years of experience.Looking for at home or Facility cases. What I offer is the chance for your love one to be at home with the Security of knowing that they are not there alone.I also Offer trips to the doctors, light housekeeping, trips to stores to run errands. Reminders and help with daily routines of the day. So my job is to make sure your elderly parent mother or father or even family member is secure at home and safe. Thank you have a great.
