

Used 1998 Honda Valkyrie (6500 USD)

Location Wyoming
<https://www.genclassifieds.com/x-761744-z>

QR Code Link to This Post It is in great condition with 54,500 miles. It has new tires front and rear and is ready to ride. Exhaust has had the "Glass Pack" mod and sounds awesome. Not too loud, but deep with the occasional decal pop common to this mod. The quick detach windshield is like new. It has been well cared for and shows no sign of ever being laid
