The 7 hours per week help (at your convenience) includes IT support, a little local driving and/or some help around the house. I'M LOOKING FOR SOMMEONE WITH EXCELLENT IT SKILLS, who is also a caring, helpful human being.

This is a LIVE-IN AIDE position. Also, a little company in evenings - talk about our day, watch TV, etc., would be nice. It is a job, not a rental If you live here it would be as an employee, not a tenant.. The title of the position is: LIVE-IN AIDE. Federal HUD Section 8 regulations state that a live-in aide is someone who "Would not be living in the unit except to provide necessary supportive services."

Qualifications for this job: drug/alcohol/addiction free, a vehicle in good working order and a love of dogs and nature. No other pets here (except a turtle, bird, etc.) My dog will love you. Single person only. Three references required. Friend of Bill W. a plus.

Your pay for this very part-time employment is: an extremely low-cost, nice place to live, including utilities, WiFi, cable, household supplies and some food. I charge \$95/week for hospitality fees and expenses. \$95 x 4= \$380 every four weeks.

(I do smoke in my room; you may smoke outside.)

Please tell me about yourself in detail: Your work, interests, spirituality if any, why you want to move, your age, etc. Please include your phone no.when you reply.
