This time of year as we move into the holiday season and winter months. Sales in most industries normally slow down.

But retail stores keep opening everyday. And retail sales actually go up this time of year.

That's why our Free POS system are BOOMING!

It's the latest state-of-the-art system, that includes a monitor, printer and cash box.

I am looking for agents to help me call on coffee shops, bakeries, nail salons, mom and pops restaurants, convenience stores, etc. Must be outgoing, professional, and enjoy working with people.

COMMISSIONS will be paid out at \$100 per sale!!!!
Commissions will be paid within 5 business days upon approval.
