QR Code Link to This Post The main goal at my kennel is to not only allow your dog to succeed in training but to keep all dogs in a safe and calm environment at all times. Dogs that come here are not just put in a kennel and only let out for training sessions, I spend time with each dog outside of the training sessions and constantly swap dogs out in the airing yard all throughout the day.

If you are looking to improve your dogs behavior, wanting a dog you can take hunting or your dog needs a vacation while you go on vacation I would love to.
