"RE-GLAZE.....don't replace"

Years ago, most bathtubs were made with cast iron in the old tradition of plumbing craftsmanship.
THEY ARE WORTH RESTORING!

With a reliable re-glazing system, your can bring back the mirror gloss and luster of the original tub or change the color to update your bath for a more modern color palette. Great for updating Rental properties too!

BATHTUB, SINK TILE AND COUNTER-TOP REFINISHING .

Over 25 years experience.

We can make that old worn out bathtub look new, without the high cost of replacement!

For more information, give us a call!
