We are an experienced rock and roll guitarist and singer in search of a reliable and dependable bass player and drummer for small start up cover band to play small clubs in the Providence area. We are both around 50 but age doesn't matter. Plan to practice once a week, get 3 sets down tight, and gig about twice a month and make some money at it when ready. Some of the bands we cover are Tom Petty, ZZ-Top, The Knack, Billy Idol, and many others. We are looking for musicians that can play cover tunes tight and as close as possible to the original artists. If interested, please respond with your name, age, instrument you play, description of gigging experience and gear. Hopefully, you can make our next band practice on Wednesday night December 6th at 6:30 pm to see if we click!

These are the 14 songs that we would like to pick from for our first jam session:

- 1 Jenny - Tommy Tutone
- 2 Born To Be Wild - Steppenwolfe
- 3 Good - Better Than Ezra
- 4 Hard To Handle - Black Crows
- 5 What I Like About You - Romantics
- 6 December - Collective Soul
- 7 Rockin In The Free World - Neil Young
- 8 Break Up Song - The Greg Kihn Band
- 9 I Need To Know - Tom Petty
- 10 My Own Worst Enemy - Lit
- 11 Sharp Dress Man - ZZ Top

12 Play That Funky Music - Wild Cherry
13 White Wedding - Billy Idol
14 My Sharona
