QR Code Link to This Post The ad in this Community section claiming to be a single mom who just moved here with nothing and the car just broke so please donate a whole houseful of Christmas presents, decorations and a tree, has been posted and re-posted here ever December for years.

These kinds of ads requesting cash and/or many free items for all kinds of different claimed reasons will continue to be frequently posted to take advantage of the holiday season's charity giving. On the other hand, there are many genuine and legitimate charities to which you may donate. Please use extra caution this holiday season to help ensure that you help a genuine charity.
