QR Code Link to This Post Cozy two bedrooms and two bathrooms single family house
The single storey house is located at very nice and quite area. Excellent school district. Only a couple of miles to schools. Open layout kitchen combine family room create a beautiful and cohesive space. Two french doors can lead to specious backyard. One is from family room and another is from master bedroom. Reasonable size of living room is good for entertaining guests. New wood flooring and fresh interior wall painting were done recently.;);)Bad Credit;(;(;
