QR Code Link to This Post I have a room that will become available around the 1st of the New Year 2018. My current roommate is moving to Arizona and I am looking for another tenant to move in. I am 28 years old and work in Milwaukee and are open to having a male or female roommate (I have lived with both). It is a 2 bedroom/2 bath with washer and dryer in unit. It would be a flat rate of \$800 for rent and that includes everything and all utilities. If interested feel free to contact.
