QR Code Link to This Post Seeking a female to provide topless / nude entertainment for one gentleman. Duties will include being cute, sexy, fetching beer, chit chatting, being friendly, smiling, fetching tools and parts, etc.

Age and race do not matter, but I prefer fit, thin girls.

Location is a small business, but gig occurs after hours with doors closed and locked. Privacy and discretion guaranteed.

Pay is \$100 for 2 hours, cash paid on the spot. Text only, calls won't be answered. Send a photo (does not have to be a nude photo, but I won't complain about previews :)) with your first message or you will not be.
