QR Code Link to This Post we have a 2007 4 seasons 811SL slide out camper we are selling. Fits long or short box trucks. Here is a list of things done this spring...

- sides and top ruff resealed by auburn valley. this is done every 3 years
- new camper jacks with warless remote. went with more powerful jacks, the original ones just felt underpowered
- new sky light
- new clips
- 2 new batteries
- as of last summer new a/c unit

options include dish, solar panel, microwave, oven, stove, water heater, outside shower, wet bath, toilet, fridge/freezer, camper swing outs and a storage cover. Tons of storage compartments and storage under bed. Its been a great camper but we feel its not going to get as much use next summer so we have decided to sell. If interested call/text/email with.
