QR Code Link to This Post My Whippet and Grey Hound Mix dog needs a new home. He's incredibly sweet and a definite lover, but I had to move and my new place doesn't quite have the yard he needs. Moreover, my new job doesn't allow me to get to him during the day and it breaks my heart to leave him home for so long. I've also been traveling more than I've anticipated and see the unfairness. Please let me know if you or someone you know is interested in helping me help him find a better place to live. Ideal for someone who works from home (or has a someone that can let him out during the day/has a doggie door), kids, or has the yard space-- he will be your #1 fan.
