"CALL KARIN FIRST! We lost our dog 11 days ago. We put up fliers, walked house to house, went to the pound every other day, posted on Facebook, placed into on Craig's List and local paper. We were exhausted and so very sad. Then - we called Karin. She spoke to us in the evening, prepared signage and made arrangements to meet us with her dogs in the morning. One hour after she arrived - our dog was in our arms. Thank you Karin - more than you can ever know. Abby's story
