QR Code Link to This Post We are a punk band with experienced members, a rehearsal studio, and plans to tour overseas next year.

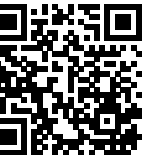

We are seeking a reliable and creative lead guitarist.

We are very committed to this project.

Some records our sound is influenced by:

- The Exploited "Let's Start a War"
- UK Subs "Brand New Age"
- The Vibrators "V2"
- Subhumans "The Day the Country Died"
- Toxic Reasons "Independence"
- The Ejected "A Touch of Class"
- The Exploited "Troops of Tomorrow"
- Infra-Riot "Still Out of Order"
- Sex Pistols "Never Mind the Bollocks"

If playing overseas, recording frequently, rehearsing twice a week, and playing underground punk shows in squats, basements, garages, and dive bars around the world sounds good to you, send us some info on yourself.
