QR Code Link to This Post Blue brindle 7 month old puppy for sale. He is UTD on all shots and has all vet paperwork. Listens to commands. Sit, lay, paw etc. crate trained. House trained. Great dog but don't have enough time to show him the attention he needs. Have pics of both parents. Comes with large cage, food and water bowl, toys blankets, bed, and collar and leash. There is a rehoming fee of \$400 to ensure he goes to a good home and cover all his supplies and vet visits. He is the sweetest puppy with a great personality. Great with kids and other animals. He is a big baby and thinks he is a lap dog. Serious inquires.
