****Need immediate help for job starting Thursday December 7th****

Local roofing company looking for tear off laborers.
Let me know what type of roofing experience you have, and if you don't have any that's OK, we will train you.

Please be willing to learn and work hard.
Tools are a plus but not necessary.
Please have transportation to get to and from work.

Working safely and efficiently is always our goal.
All candidates must be comfortable climbing ladders and working on residential roof tops in very hot and cool weather. They should not have any back issues and must also be able to lift 40 to 60 pounds regularly, and can push, pull, bend, stand or kneel for extended periods of time.

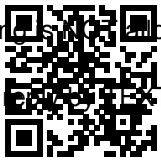

This is a very demanding job with rough conditions, so if you aren't able to do physical labor outside in the heat for long hours please do not apply.

Most jobs last between 8-10 hrs. Must be willing to work the whole day to receive same day pay.

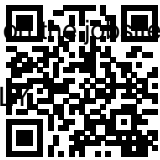

Pay is \$11/hr cash at the end of the day.
