QR Code Link to This Post Hello,

I am an internet marketer and I need an address in Glendale AZ to send a google post card to. It will help me to verify my google listing. Super easy to make a guick \$40

This is a one time thing and you will receive a piece of mail form google with a number on it, you will send to me. \$40 to be paid once you receive the post card and send me the number inside.

Txt for details and to see if you address will work for me. 954-five3one -3132
