QR Code Link to This Post My wife and I have a 3 months old male Cavalier king Charles Puppies, sounds pretty crazy but he has semi long golden hair, a loud bark, pretty small in weight and size, and remain will small for the rest of his life.

Mother on site. Raised around children of all ages. First set of shots w/record. Very playful and healthy chubby puppies.

Please disregard bottom paragraph.

Please Email me if you're interested. We'd like to make sure she's going to a friendly home. Again, just want to make sure she's going to a happy place 9 weeks old Adorable Cavalier king Charles Puppies , shots, dewormed. Very playful. Looking for forever home. Has been vet checked. Re-homing fee.
