QR Code Link to This Post Hi! Since the huricaines have effected several states and many private owned rescues have closed, we have opened our home to many of the dogs and Pups in need. At this moment we have 2 mother dogs that have given birth at our home and there pups. We have Lab/Blue healer mix pups. Mountain Cure Puppies and 1 pit bull lab mix and a Bully Pit mix. The rehoming fee for all our pups at this time is 150 dollars if you drive to our area in Gainesville Ga or if we are to meet halfway we do charge a 25 dollar fee. All pups have been vetted have had 1 set of shots and dewormer. Most have been bottle fed as the mothers are very young. All have beautiful temperaments, very calm and loving, we play with them all day. All are crate trained at night when its time for bed. Contact us today to help one of these beautiful babies and give them the love you will recieve back from them.

I dont have photos of all the puppies so once you contact me tell me male or female and what your looking for I can take photos for you at that.
