The yard has been covered with landscapers fabric to keep the weeds from growing. \$3,000 worth of organic soil has been brought in for organic vegetable gardening, flower gardening, or planting grass. There is an apple tree in the backyard as well as an apricot bush. Property is surrounded by a large evergreen English Laurel privacy hedge. Our home is listed with Remax Realty in Port Townsend, WA and can be seen on Zillow.

If you are tired of the rat race in the city and want the experience of a small town, this is the place. We are a small art community. We have hiking, kayaking, mountain climbing, boating, salmon fishing, boat building school, several marinas, two movie theaters, skate park for kids, public pool, small airport and Areo museum, fish petting zoo for young and old, several state and local parks, whale watching tours, bird watching, endless wildlife, and a never-ending array of tourist towns, hot springs, and Islands to explore. If you like to attend art and music festivals you are in luck. We live on the Olympic Peninsula and seem to have a festival going on almost every weekend during the summer. If you are bored here, you aren't trying very hard. We also have a community of local organic farmers that provide our community with organic meat and.
