QR Code Link to This Post YES, this is still available (I update my posts daily). I have a very flexible schedule, we can meet in Wash Park in the Parking Lot by Downing and Exposition (see map), just let me know what time.

EXCELLENT CONDITION W/ ALPINE & TOURING SOLES.

These currently have the Alpine Soles on them that can fit into any Alpine Binding, and with the Tech Inserts in the toe and heel, they can be used in Tech/dynafit bindings as well. 1 boot for all your skis.

Boots come with Intuition Pro Liner, 98mm Last, 130 Flex.

The ALL NEW LUPO TI (Tech Inserts) is geared for big mountain chargers who use "Tech" bindings and spend a significant amount of time skinning or hiking to find their lines. An ultra-burly cuff lock integrated into the Krypton design provides functional striding with the world's best freeride boot.

FEATURES:

High traction, Hy-Grip rubber mid sole and replaceable toe and heel provide climbing security and durability.

ID Thermo "MAX" Walkable Custom Fit Liners (medium density) are incredibly lightweight and comfortable and provide exceptional warmth and shock absorption.

Lupo TI is truly the world's BEST big mountain freeride boot for tech bindings. No compromises.
