QR Code Link to This Post Ok so Im pretty nervous to post cause I hate to see this truck leave. LOL But bought a new truck and we always have lots of vehicles so need to downsize. So heres the run down. Super great truck with no leaks or funny noises etc. 330k on odo. Trans was redone at 260k Motor has had some freshen ups like water pump, glow plugs, fuel filter seal, etc. No hard starts! Not alot of slop in front end. But will need tires soon. Has Rancho lift. Not sure how much. 4x4 works fine although hardly been used. Truck has never been abused or really used to pull alot. Has tuner. Gets great fuel mileage for a big truck. AC/ heat work fine. All pwr options work fine. Non smoker. Minor dings but nothing major in body. No rust. All glass good. Nice radio. All around great truck! Id drive it anywhere. Price is 13k and not desperate to sell. Might consider trades on newer crew cab 4x4 trucks, nice skid steer(bobcat), etc. No projects. Call or text Thomaston Ga. Title in
