QR Code Link to This Post Looking for younger professional male or female to rent a room in a 3 bed 2 bath house. The master is occupied so you would share a bathroom with one other person. We do have a cat but perferably please no more animals. (can make exceptions)

Direct tv hook up in room. We work full time and also have side jobs. We do like to have friends over sometimes but not too often. LGBT friendly is a must. Fourtwenty friendly is a plus. Rent is \$450 utilities NOT included. Utilities would be electric, water, sewer, trash, WiFi and Direct TV split between three of us including you. Averages about \$150 a month give or take. If interested reply to this add with "roommate" in the subject line. Photos upon request.

Thank!
