QR Code Link to This Post Clean bright bedroom with beautiful view available now. The apartment is super clean and free from smoking of any kind, drugs, or any drama. I have two small dogs that are well behaved and well taken care. They are very quite and stay in the bedroom all times. A bit about me. I am a very responsible person. As a full time student I spend most of my time studying. I also eat healthy, exercise and go hiking at least 3 to 4 time during the week. Sorry, other pets are not allowed. This is a healthy environment with friendly occupants and we want to keep the positive vibe. This is an opportunity to live in a nice community with walking distance to coffee shops, restaurants, grocery stores and much more. Anyone that enjoy this circle will be welcome! The rent is \$1200 plus one month security deposit. Ready to move.
