Description:

Sleek lines make up the AKDYÂ® 63190D-BLK 36" wall mounted range hood. Prevent the accumulation of grease and unpleasant odors during cooking with this stylish range hood's powerful fans operating at 400CFM all while staying below 65db. Three stainless steel dishwasher friendly baffle filters remove unwanted grease from the air. In addition, a touch sensitive interface operates the twin LED lamps, 3 speed fan, and the timer that for delayed shut off. Constructed of durable stainless steel, this range hood will serve you well as long as it is well taken care of. Furthermore, this range hood is covered by a three year parts warranty. The convertible system can be used ventless/ductless with a carbon filter for home with no available venting option. (Carbon filters sold separately)
