QR Code Link to This Post Looking for a small faded red silk covered book with a split in the cover. It was given to my Christian Syrian mother about c.1930. It was written in Arabic. She lent it to an acquaintance to translate when she worked for Butler Manufacturing and never got it back. I believed that was about my great grandfather who was a Christian Syrian Orthodox Priest from Dar'a district of Syria.

If you have any possible leads to this small book, please by all means contact me here. Thank!
