Dottie is a 3 year old, 12 pound, female Chihuahua mix. She is a playful little girl who loves to snuggle as much as she loves to play. You will fall in love with her spunky, inquisitive antics. Every day, she comes up with something new to make you laugh. Next to lap time, her favorite things are treats and toys. With a little guidance, she will be an amazing and cherished little member of the family.

Dottie is altered, microchipped, current on vaccinations, wormed, treated for fleas and ticks, and current on heartworm prevention.
