Our Goonies Litter are definitely going to be adopted quickly! These sweet puppies arrived at Dogma when they were around 5 weeks old. They are now round 8 weeks old and ready for adoption. They currently weigh around 4-5 pounds and should grow to be around 15 pounds full size. We believe they are a mix of Terrier/Shih Tzu, although their looks vary greatly. These puppies have been fostered in a home with other dogs, cats, and children over 12. They are smart, affectionate, and very happy. These babies are empty pages waiting to be filled. Come meet them at our next and see how cute they really are.

Adoptions fee includes the cost of alteration at our vet in Sebastopol. Pups are microchipped, current on vaccinations, wormed, treated for fleas and ticks, and current on heartworm prevention.

Our upcoming event dates can be found on our website home page at dogmaanimalrescue.org.

When applying for an animal from our rescue, please submit your adoption application before the adoption event. Individuals who have submitted their application and been vetted have priority the day of the event. You must print the application, complete it, and email it or fax it back to us. Our fax number is .

A link to the application can be found here:
