California Location https://www.genclassifieds.com/x-763895-z

QR Code Link to This Post I will be hosting a dance fitness session on Venice Beach that I hope to have filmed to be used as promo material for future classes.

I am looking for a videographer available for max. 90 min Saturday 16th December 2017 from 08:45am

We will be dancing mostly to caribbean music, so the session will be colourful, fun and vibrant! My classes do not go over 60 mins. But I may want you to film testimonials/cutaways after the session.

This is not a paid job. This will probably be suitable for someone starting out in videography or someone looking to update their visual reel.

I look forward to working with someone creative and professional.
