QR Code Link to This Post Room for rent. I feel that this is not a rental, its a home. With all the care and more included . Nothing is for sure till we talk. I would like someone who is clean, help take care of the dog and home. But the dog might take better care of you. You should see this happy home. All is negotiable! I own a 16000 sq. ft. split level with a bath and a half in a very good area. We can negotiate a while and I would like a deal soon. NO G mail accts or web sites will get a return E. Very safe ! Leave me a phone number and I will call you. This is not a scam , I am real and I do have a nice home to share! Thank
