QR Code Link to This Post You - Type, file, computer crap, cleaning office, errands, banking, running, spreadsheets, sending cards, calling idiots, managing idiots, databases and a bunch of other crap.

We will - Pay you to do those things.

You Need to - Be smart.

Pay - Whatever you're worth. \$1 or \$1million, whatever you're truly worth.

Start Date - Now

Experience - Real Estate, Construction, etc preferred.

Typing ads - Too tired to do so, and 99% of the people on here are retarded anyway. Including me, I'm definitely an idiot.

Want a great LONG TERM career with a ton of advancement and growth in the RE industry? Send a resume, work experience, and WHY you'll be any better at being our main office admin than the last 2 we've had here.

Full time, busy office, 47-50hrs/wk, 830-6pm, paid vacation, sick days, etc.

Computer savvy is a MUST. Not "I know the Word man" but true top level advanced Excel, QB, etc.
