QR Code Link to This Post hello, i am female looking for an unfurnished nice, quiet, clean, place to live. i do not smoke, drink, party, or do drugs. i do not have any animals. looking for own entrance and bathroom, bedroom, all included. i have a 2016 dodge charger so i need a place to park. looking to pay month to month or i can sign a years lease or six month lease or whatever. however, i do not have first, last and security, but i can do month to month. or i can pay first month and security. just not first, last and security. i currently live in miami gardens.

so you know i am clean and i won't tear up your home, after you show me you have a place if you like i can bring you to my place so you can see my furniture and how i live and you will then know i am clean, safe, and i won't destroy your place. i am a quiet person and i keep to myself a lot. if you are looking for that right person, who will take good care of your place and respect it and you won't have to worry, well i am that lady.

Please do not text me and send me to another site. please have pictures of your current place that is available. i can live in broward county or miami dade. please call my cell at . if this is up i am still looking. I guess this would be like a studio, efficiency, inlaw suite, small apartment, small house etc i always pay rent on time, or even early, i have all my receipts from the past year to show i pay on time....not looking to pay more than 650.00 a month. thank:)
