 PLACE FREE POS SYSTEMS

This time of year as we move into the holiday season and winter months. Sales in most industries normally slow down.

But retail stores keep opening everyday. And retail sales actually go up this time of year.

That's our Free POS system is BOOMING!

It's the latest state-of-the-art system, that includes a monitor, printer and cash box.

We are looking for agents to call on coffee shops, bakeries, nail salons, mom and pops resturants, convenience stores, etc. Must be outgoing, professional, and enjoy working with people.

COMMISSIONS: Upfront Bonus and Monthly Residual.
 The bonuses are paid within 5 business days upon approval. The residuals are paid at the end of each month.
