QR Code Link to This Post Graceful archways welcome you through the foyer of this beautiful home built by Elliot Homes! Nice open floor plan with hardwood floors through the foyer, living room, formal dining area, breakfast area and kitchen. Custom tray ceilings in formal dining and family room. Kitchen has granite counters with brick accents at the bar and stove surround. Stove surround conceals additional storage and a stove faucet. Master suite has tray ceilings, travertine floors in wet areas, and a to-die-for master closet! Fourth bedroom is upstairs and has an en suite bath. Plus there is a great covered patio overlooking the privacy fences yard. The neighborhood is great for walking with views of Biloxi's Back Bay. Shopping and entertainment are literally right outside the subdivision.
